2022

THANK YOU TO OUR CONTRIBUTORS!

The Construction Science Expo career awareness event is held annually in May and has touched over 9,000 underserved youth in Southeast Detroit since 2009. Our coalition of 60+ construction employers, associations, professional trade skill organizations, colleges and the Black Caucus Foundation/Navigation to Success program\* strive to bring hands-on experiences showcasing **Engineering and Tradeskills** together in order to inspire young people to learn about our industry. We are looking for participants and sponsors for our youth event and career counselor workshop. Together we can establish a view of Construction that emphasizes safety and success and INSPIRES YOUTH to work in our industry!

Our 2022 in-person event will be held on May 17, 2022 from 9:30am - 1:30pm at Durfee Innovation Society in Detroit.

To learn more about our endeavor and join us in supporting this type of outreach, email the event manager and sponsor coordinator:

Melissa Wilson, [Melissa@PathwayXEvents.org](mailto:Melissa@PathwayXEvents.org) (248) 240-7166 <https://pages.michiganconstruction.com/constructionscienceexpo>

*This event is invitation only. Guest attendance may be registered in advance for Media, businesses and schools district representatives through our website.*
